

The SpeechCoach)))

Want to speak English better? Don't do it the hard way. Do it the SMART* way.

The SMART* Speech One Day Workshop

This practical workshop provides simple, effective methods to improve English pronunciation and reduce an unwanted or strong foreign accent.

Comments from past clients:

“Ms Sonya Maybury pointed out basic and advanced aspects of English pronunciation which I had completely overlooked. Now I am much more aware of what I am saying and how to say it.” Thang Nguyen

“Sonya was able to identify my specific problems quickly and provide solutions. I feel that I have made significant progress with my spoken English.” Anna Tao Li

“Excellent attention to details and helpful guidance. I found the course to be value-adding and constructive for any ESL speaker.” David Zang

Who should attend the workshop?

People born or trained overseas, including: doctors, engineers, accountants, teachers, office personnel, technicians, customer service staff, salespeople, telemarketers. Ideal for people from Asian countries such as: China, Japan, India, Thailand.

In this workshop you will learn how to:

- Identify your pronunciation problems
- Pronounce English speech sounds easily
- Modify an unwanted or strong accent
- Use your lips, teeth, tongue effectively
- Develop natural English speech rhythms

About the trainer:

Sonya Maybury is an established, professional trainer. Her career in education and management spans 25 years. She holds international speech teaching qualifications. Sonya's small group workshops are practical, informative, supportive and enjoyable.
